119 species and 9,649 birds
21 count areas, 89 observers

With great appreciation, we thank all the participants (listed on next page) for their efforts!

The most unusual birds this year included Western Grebe, Ring-billed Gull, Pacific/Winter Wren, and Cassin's Finch.

Exasperating misses of birds we knew were here somewhere: Eurasian Wigeon, Inca Dove, and Rock Pigeon!

Count Coordinators: Bob Theriault and Jennifer Howland
