	5	27	26	33	5	8	4	7

PLUS 1 UNIDENTIFIED AT MIDDLE WILLOWS

GRAND TOTAL - 121

WE ACCIDENTALLY EXPERIENCED A HEAVY THUNDERSTORM ON THE EVENING OF AUGUST 21.

WINDS BLASTED US IN THE EVENING HOURS FROM CAMPING LOCATION.

THE HIGH COUNT OF RAM TOTALS IS PROBABLY DUE TO RUTTING ACTIVITY; RAMS WERE HEARD TO BE BELLOWING AS IF WAITING FOR EWES TO COME IN. MAY BE SOME OF THEM WERE NOT TRANSLATED.
